## About Us

---

Somnia Anesthesia is an innovative national anesthesia practice management and perioperative medicine services company that's been owned and led by anesthesia clinicians for a quarter century. Astrailblazers in our field we pioneered the use of blended care teams. As champions of evidence-based perioperative medicine and population health, we help hospitals, surgery centers, and surgical offices make the shift to the value-based care environment.

Combined, our leaders bring more than a century of experience in anesthesiology. We're collaborative and hands-on, sharing our powerful mix of clinical and business expertise with our clients, our employees and their patients.

- Expanding national footprint-in urban, suburban and rural communities in 12 states
- Working with some 200 payers
- Our staffing services are Joint Commission Gold Certified
- A growing clinical network of 500+ anesthesiologists and nurse anesthetists
- Deep management infrastructure
- The first anesthesia-only company to be named a Patient Safety Organization
- Member of the Perioperative Surgical Cohorts 2.0 and 3.0

At Somnia, we enjoy what we do every day because we're part of a team that collaborates and innovates to deliver the best clinical outcomes and patient experiences. We welcome and share ideas. As a high-performing organization, we also do our best to ensure that our caregivers have a true work-life balance. **Together, we make healthcare better.** Join us! Like what you do!
